Dear Mr. Harrison:

The purpose of this letter is to inform you that you have satisfied the requirements of the above referenced Administrative Order (AO). By copy of this letter, the AO has been terminated by the United States Environmental Protection Agency, Region 4 (EPA). Please continue to work with the Tennessee Department of Environment and Conservation regarding your current permit obligations.

Termination of the AO shall not be deemed an election by the EPA to forego any administrative, civil or criminal action or other appropriate relief under the Clean Water Act, nor will it relieve you of your obligations to comply with any other applicable federal, state or local law.

Thank you for your cooperation in this matter. Should you have any questions concerning this matter, please contact Ms. Lisa McKinley, Enforcement Officer, at (404) 562-9403.

Sincerely,

James D. Giattina
